

MICROMEDIA
LOOK TO THE LIGHT

CAMPUS 2020

Connect to heart of student life

Micromedia are the largest DOOH operators across all major universities in Ireland.

Our screens are located on-campus in high dwell locations such as restaurants, bars and the students union hang-outs.

We have exclusivity through all major high-end student accommodations in Dublin & Cork. Our screens are positioned through the common areas and social spaces of these luxury accommodations to maximize daily opportunities to see.

We offer direct access to the heart of student life.

OUR PARTNERS.
