IN-TRADE 2020

Connect with the busiest bars and  
best music venues in the country

Our in-trade network is a combination of Busy bars and some of the best music venues in the country with over 65 Screens. Our screens are integrated into those spaces where people meet, hang out, socialize and have fun.

Our network spans both street-side and internal. All our in-trade screens have dynamic functionality in-built so your content may be real-time activated through weather, location, demographic or events.

**We'd love to partner on longer term deals in 2020.
